Perifit Brochure 2024

At Perifit, our mission is to revolutionize women's health through innovation.

Dedicated to empowering women with smart, effective solutions, we strive to enhance well-being and quality of life.

Our products have helped over half a million women around the world to strengthen the pelvic floor, support postpartum recovery, and more.

Join us in embracing a stronger, healthier future.

Perifit Care

The Perifit Care Keegel Exerciser is a breakthrough in women’s health technology, designed to transform kegel exercises into a precise and enjoyable experience. This advanced device connects seamlessly with a

smartphone app that guides you through personalized workouts, providing real-time bio-feedback and progress tracking.

Proven by peer-reviewed medical research to improve symptoms of urinary incontinence in 85% of women.

Key features:

- Effectively strengthen the pelvic floor.
- Clinically proven effectiveness.
- Patented two-sensor technology.

SUPPORT

TECH SUPPORT

Our team of experts are on hand to provide product support.

Perifit Care is registered as a Medical device in: The EU, USA, UK, Canada, Australia, New Zealand, United Arab Emirates (pending).

For tech support and warranty claims contact support@perifit.co or use the in-App support feature. Built-in li-ion battery is covered by 5-year warranty but depending on frequency of use is estimated to last up to 10 years. Smartphone required.

Gamified pelvic floor training

Key features:

- Small design for added comfort.
- Position detection for more precise tracking.
- Flexible design.

Perifit Care+

This Advanced Kegel Exerciser features state-of-the-art sensors and Bluetooth® technology that offers even more precise biofeedback and tailored exercise programs via an upgraded app. Its smaller and more

flexible design enhances comfort and anatomical compatibility. The improvements in connectivity mean that training exercises can now be done in any position and while moving - unlocking the ability for a broader range or new exercise programs.

Perifit Care+ is registered as a Medical device in: The EU, USA, UK, Canada, Australia, New Zealand, United Arab Emirates (pending).

For tech support and warranty claims contact support@perifit.co or use the in-App support feature. Built-in li-ion battery is covered by 5-year warranty but depending on frequency of use is estimated to last up to 10 years. Smartphone required.

Perifit Pump

The Perifit Pump is a hospital-grade, hands-free breast pump designed for modern mothers seeking efficiency, comfort, and the freedom to multitask while pumping. It features a closed pumping system that ensures hygiene

by allowing milk to travel a direct route from the breast to the bottle, all while using BPA-free materials for safety. With powerful suction up to 300mmHg, comparable to traditional hospital-grade pumps, yet it operates discreetly, making it ideal for use anywhere.

Key features:

- Noise-reduction technology down to 35 dB.
- Free app for customized settings and tracking.
- Hospital-grade.
